Race Day Registration:

Race day registration will be Saturday, March 27th, starting at 8:00 am – 1:00 pm. Registration will close 30 minutes before that start of each race. Registration will take place at a table near the start/finish line on the race course. 1-Day trial USCF licensees and yearly renewal USCF licensees will be for sale at registration table near the start/finish line of the race course.

Course:

After meeting with our Chief Referee, we have decided to classify this course as a circuit race to avoid the extra necessary wheel pits. This year's course will be a 2.4 mile loop beginning on campus and traveling down along the Susquehanna River until a quarter-mile loop climb and descent back to the River. Each category will race for the below specified laps; unfortunately due to the length of the laps, the courtesy lap rule will not be in effect during the race. However, a wheel van will follow the pack. Furthermore, racers must obey the yellow line, as

the pack will split up as a result of the climbs. All racers/riders are required to wear helmets at all times. All other USCF rules apply.

Race:

- 11:00am, Men D 3 Laps (est 24 Minutes)
- 11:30am, Men C 5 Laps (est 36 Minutes)
- 12:15pm, Women B 4 Laps (est 28 Minutes)
- 12:50pm, Men B 7 Laps (est 46 Minutes)
