

UVM CYCLING PRESENTS

THE FREDERICK GALUZA MEMORIAL RAFFLE

AT THE UVM RACE WEEKEND
APRIL 17-18 2004

**\$5/TICKET, DRAWING TO BE HELD DIRECTLY
FOLLOWING THE MEN'S A CRIT ON THE UVM
CAMPUS AT 12 PM SUNDAY APRIL 18TH.**

In April of 2003, we tragically and unexpectedly lost one of our team members, Frederick M. Galuza. In addition to being a technically skilled and very fast mountain biker in his three years at UVM, rising to the top of the NORBA expert class and the collegiate A ranks, Erick was a great friend to many on our team and throughout the ECCC. To honor Erick's memory, our team is attempting to pass his love of mountain biking on to a new class of riders. Every fall, there are new riders with a potential to become dedicated mountain bikers who are held back by a lack of quality equipment. We are attempting to purchase a mountain bike that can be given to a new deserving UVM rider every mountain bike season on a free basis. Awesome Prizes thanks to our sponsors!

Also, be sure to check out the Frederick Galuza memorial auction on EBAY. Check out www.uvm.edu/~cycling for the link. Two awesome items:

From The Winooski Bike Shop:
