Downhill practice will be from 9 AM to 4 PM all day Saturday. Downhill races will start at the conclusion of the short track racing, approximately noon. Start times will be posted at registration on Sunday morning by 10 AM, which coincidentally is when downhill registration closes. The course can best be described as emotastic as all who have ridden it cry at the finish line out of hatred for its beauty.

Registration

E-mail registered rider lists in Excel with name, category and indicate which races what riders will be competing in. License numbers are not necessary on pre-reg as we will be checking everyone's license when they check in. In true UVM tradition there will be **NO LATE FEE, except to those who charge a late fee at their races.** Onsite registration will be held in the rental area from 8am – 1pm on Saturday and from 8am – 10am Sunday. **All riders must check in both days, or they will not be placed.** Please only **one** e-mail per team. Pre-reg will be accepted until 11pm Thursday the 21st of

September. E-mail all registration to Karin at runawayantelope@gmail.com, please do not change the subject. Registration is \$13 per race except for downhill which is \$35. Make all registration checks payable to UVM Cycling. Please mail all checks to:
